Biography

Giosuè Vezzuto

Chief Executive Officer of RINA Services

Giosuè Vezzuto is Chief Executive Officer of RINA Services, a RINA Group company operating in the maritime and certification sectors.

He holds a degree in naval engineering and joined RINA in 1997, beginning his career in ship classification and technical services, where he worked on vessels in service and newbuildings. He subsequently developed extensive expertise in fire safety and international regulations, contributing to the work of international organizations including the International Association of Classification Societies (IACS), the International Organization for Standardization (ISO) and the International Maritime Organization (IMO).

Over the course of his career, he has held technical, operational, commercial and managerial positions of increasing responsibility, gaining extensive international experience across Europe and Asia. He has worked in Italy, Singapore, Rotterdam and Shanghai, where he led teams and operational structures in key markets supporting the Group's international growth.

After returning to Genoa in 2018, he held several senior management positions at Group level and, at the end of 2019, was appointed Executive Vice President Marine, with global responsibility for RINA's Marine business.

In October 2026, he was appointed Chief Executive Officer of RINA Services. His professional background combines strong technical expertise, international experience, in-depth knowledge of clients and a proven ability to lead complex organizations in highly regulated and competitive environments.
