## Carlo Luzzatto

Chief Executive Officer and General Manager of RINA

Carlo Luzzatto was born in Genoa in 1961, and since December 2023, he has been the CEO and General Manager of RINA.

After earning a degree in electrical engineering from the University of Genoa and studying at some of the world's top business schools - from Imperial College London to Harvard Business School in Boston - Luzzatto joined Ansaldo Energia in 1986, where he remained until 1997. During his time there, he served first as Corporate R&D Manager, then as R&D Engineer, and later as Product Manager. In 1998, Luzzatto moved to General Electric, where he held increasingly senior managerial roles in both Italy and the United States until 2004.

That same year, he returned to Ansaldo Energia as Service Director, a position he held until 2008, when he became Co-General Manager of the company. From 2011 to 2019, Luzzatto served as President of Chromalloy, a company that designs solutions for gas turbine engines.

In 2021, he was appointed CEO of Impresa Pizzarotti, a role he held until August 2023. In December of the same year, Luzzatto took on the role of CEO and General Manager of RINA.
