Biography
Paolo Moretti

Chief Executive Officer and General Manager of RINA

Paolo Moretti is Chief Executive Officer and General Manager of the RINA Group. Prior to his current role, he served as CEO of RINA Services from May 2020 to July 2026, leading the RINA subsidiary operating in the maritime and certification sectors.

After graduating in naval and maritime engineering from the University of Genoa in 1996, Moretti began his career in RINA's classification department in 1997. He later oversaw the supervision of cargo and cruise ships in East Asia and Europe.

In 2007, Moretti became head of the pleasure craft product line, a role he held until 2011, when he was appointed General Manager Marine. Following this, Moretti became responsible for the yachting and naval sectors as well as R&D and maritime technological innovation activities.
His responsibilities included training services for onshore and offshore personnel and the development of new rules and regulations.

Moretti later assumed the role of Executive Vice President for Marine Strategic Development, focusing particularly on cruise ships, and then became Chief Commercial Officer.
